SUPERINTENDENT'S REPORT

To the School Board of Milton:

I take pleasure in presenting to you, and through you to the citizens of the town, my tenth annual report as superintendent of the schools of Milton. With this I am also sending the report of the headmaster of Nute High School and the report of the school nurse.

The usual statistics relating to the elementary schools are contained in the following table.

STATISTICS FOR THE YEAR ENDING JUNE 30, 1928

School	Teacher	Total Enrollment	Ave. Membership	Ave. Attendance	Per Cent Attendance	No. Tardinesses
Milton 1 and 2	Laura H. Williams	23	18.76	17.58	93.71	13
Milton 3 and 4	H. A. Chamberlain	33	30.50	29.45	96.57	9
Milton 5 and 6	Sarah L. Jenness	27	24.19	23.46	96.97	6
Milton 7 and 8	Charles E. Glover	23	22.53	21.50	94.98	8
Milton Mills Prim.	Norma M. Page					
	Margaret Durgin	17	14.52	13.94	95.98	7
Milton Mills Inter.	Etta R. Thurston	15	13.77	13.38	97.17	3
Milton Mills Gram.	Jessie L. Walsh	20	17.91	17.52	97.82	10
South Milton	Cora McD. Hayes	6	5.10	4.91	96.02	0
Nute Ridge	Ferne C. McGregor	19	12.83	11.42	89.01	3
	Totals and Averages	183	160.13	153.14	95.63	59

The total enrollment shown by this table is fourteen less than for the preceding year. The enrollment for the present year is somewhat larger.

The per cent of attendance, 95.63%, is excellent. The number of instances of tardinesses is very small. We have made an excellent gain in both of these items. The showing is the best that we have made in the past ten years.

I understand that some citizens have expressed surprise at the small number of pupils reported in the South Milton School. For the information of those who do not understand the situation I will say that, under a special act of the Legislature, this school is maintained jointly by Milton and Rochester. Milton is responsible for the management of the school and

pays two-thirds of the costs. Rochester pays one-third of the costs. Last year there were thirteen Rochester pupils in this school. The records of these pupils are kept in a separate register which is given to the school authorities of Rochester, and so these pupils do not appear in the statistics of Milton.

The following pupils were not absent nor tardy for one or more quarters during the year:

GRAMMAR SCHOOL GRADUATES

The following pupils completed the work of the eighth grade last June and were given diplomas: Marguerite Francq, Marcel Francq, Josephine Hall, Damon Pike, Estella Willey, Austin Day, Pauline Baker, Olive Chase, Emily Columbus, Rosalie Ellis, Christine Souter, Ellen Wyatt, Roland Knight, Wilbur Lover, Everett McIntire, Reginald Nutter, Warren Smith.

All but one of these pupils entered Nute High School in September.

Three vacancies in our corps of teachers had to be filled this year: two at Milton and one at Milton Mills. Mr. William S. Nagle, a graduate of Dartmouth College, and Martha W. Griffin, a graduate of Plymouth Normal School, were appointed to fill the vacancies at Milton. Helen M. Dunnells, a teacher of five years' experience and with one year's training in normal school, was appointed to the vacancy at Milton Mills.

HEALTH WORK

The work of medical inspection in the schools has been continued by Miss Cordelia Davidson. Her report will follow.

Several clinics have been held as explained in Miss Davidson's report. Miss Davidson is to be congratulated upon the success of these clinics which have been held in this and former years. I wish to express my thanks to the several local organizations whose cooperation has made these clinics possible.

On account of the expense, the officials of Strafford County Y. M. C. A. have felt it necessary to withdraw the services of an expert supervisor in physical training which we have been privileged to enjoy for several years free of charge. We shall be obliged to get along without the services of an expert supervisor in this work unless the District is willing to contribute something toward paying the salary of the supervisor. The cost would probably be somewhere between $300 and $400 per year.

NUTE HIGH SCHOOL

The corps of teachers in Nute High School is the same as last year, no changes having been made. The number of pupils is nearly the same, although slightly smaller. About one-third of the whole number are tuition pupils from other towns.

The per capita cost of instruction last year was $71.82, or $9.50 lower than for the preceding year. This reduction was due chiefly to the increased number of pupils.

This item, the lowest cost in any high school or academy in the state, determines the amount which can be collected for tuition from other towns.

Your attention is especially called to the report of the headmaster which follows.

Respectfully submitted,

FRED W. DUDLEY,

Superintendent of Schools

REPORT OF HEADMASTER OF NUTE HIGH SCHOOL

To the Superintendent of Schools and the Members of the Board of Trustees:

I herein submit for your consideration my third annual report as headmaster of Nute High School.

The school year opened September 4 with an enrollment of eighty pupils, thirty-eight girls and forty-two boys. One boy registered later in the Fall making the total enrollment for the year eighty-one. During the first half year nine pupils have withdrawn from school leaving our enrollment at the present time seventy-two. The number of pupils leaving school has been greater than during the past two years, the reasons being justifiable in many instances. Three removed from town, two were unable to secure transportation, one was due to sickness and the remaining three were either indifferent to high school work or unprepared for it.

Nute High School has received creditable mention from the state department for several years for maintaining a high per cent attendance each year. This year we continued the good record for some weeks by having an average of 98% but epidemics of contagious

diseases began to afflict us in December and soon afterward the prevailing epidemic of influenza began to make itself evident among the pupils in ever increasing numbers, on many days from twelve to twenty pupils being absent.

The splendid class which was graduated from the school last June left a gap in the scholastic, literary, musical, and athletic activities which is very difficult to fill and which will take time and effort to replace.

The tuition rate has been increased from sixty dollars per year to seventy-one dollars and eighty-two cents, this amount being the maximum amount allowed by the state to charge, the figures being based upon the annual per capita cost per pupil. There are twenty-eight tuition pupils registered at the present time.

Respectfully submitted,

RALPH G. REED

Milton, N. H., February 5, 1929.
